

CONSTRUCTION PROJECT

State Road 25/State Road 80 (U.S. 27) from Industrial Canal to West Sagamore Avenue

Financial Project Identification (FPID): 447287-1

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is scheduled to begin roadway improvements on State Road 25/State Road 80 (U.S. 27) in Hendry County in October 2026. The project extends approximately 1.4 miles from Industrial Canal to West Sagamore Avenue.

The project primarily consists of milling and resurfacing the existing asphalt roadway pavement and storm sewer improvements to extend the service life of the roadway. The contract plans also include associated roadway, signing, pavement marking, and signalization work.

The construction cost is approximately \$4.8 million. Construction is currently estimated to be completed in July 2027.

QUICK FACTS

COUNTY
HENDRY

PROJECT COST
\$4.8 MILLION

PROJECT START
OCTOBER 2026

ESTIMATED COMPLETION
SUMMER OF 2027

GENERAL PEDESTRIAN DETOUR

Applies as work progresses through intersections along the project corridor.

ONE SIDE OF EACH INTERSECTION AT A TIME

Follow posted pedestrian signs and use the designated open sidewalk around the work zone.

*Crossing and closure locations shift with construction. This detail is general and not to scale.

Map arrows mark intersections; they do not indicate walking direction or simultaneous closures.
